DECLARATION OF DUE DILIGENCE

RENEWED PETITION UNDER 37 CFR §1.47(a)

12/30/2003 MDAMTE1 00000001 09367666
01 FC:1460 130.00 DA

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the decision on Petition under 37 CFR §1.47(a) mailed March 2, 2001, Applicant hereby renew the Petition to have the previously submitted declaration accepted by the U.S. Patent and Trademark Office for U.S. Patent application Serial No. 09/367,666 without signatures of the other two co-inventors, specifically, Oliver Klockseth and Bengt Jervmo.

Applicants submit herewith Exhibit A, which is a statement from Melinda Butterworth, Secretary of Safety Equipment Australia Pty Limited detailing her actions at attempting to locate Bengt Jervmo and Oliver Klockseth in order to have them sign the declaration and power of attorney and U.S. Assignment. It notes in the statement that copies of the necessary documents were mailed to their last know addresses.

Also attached as Exhibit B is a copy of the returned postcard acknowledging delivery to Bengt Jervmo.

Also, in a due diligence statement executed by the undersigned and filed with the last renewed petition, the undersigned indicated that copies of the patent application and the declaration were forwarded to each of Mr. Jervmo and Mr. Klockseth at their last know addresses on August 30, 1999.

Thus, it is apparent that: the fee under 37 CFR §1.17(h) has been provided; factual proof that the missing joint inventors refuse to execute the application or cannot be reached after diligent effort has been established by the fact that copies of the application have been sent to the inventors at their last known addresses and that repeated attempts to forward other documents and obtain their signatures has also been documented; a statement of the last known address of

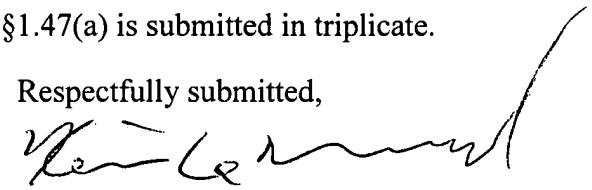

BEST AVAILABLE COPY

the missing inventors is provided in Exhibit A; and an oath or declaration by each 37 CFR §1.47(a) applicant on his or her own behalf and on behalf of the non-signed inventors has been provided. Accordingly, it is respectfully requested that this petition be granted.

The petition fee has been previously paid. However, the Commissioner is hereby authorized to charge any additional fees associated with this paper or during the pendency of this application, or credit any overpayment, to deposit account #20-1430.

This Renewed Petition pursuant to 37 CFR §1.47(a) is submitted in triplicate.

Respectfully submitted,

Kevin T. LeMond
